Mis XV Años

Señor, hoy me acerco a Ti
con toda la alegría que
mi juventud inquieta proyecta.

Ayúdame a seguir la luz
de tu camino para poder llegar
a donde una vez estuve a tu lado
y agradecer a mis Padres y
Hermanos el haber nacido
en el seno de mi Familia
que después de Ti, son mi todo.

Gracias, Señor.

No lloren por mi, estoy en mi casa en el cielo cuando él me llamó

no hay dolor ni pesar, Dios está aquí. Tuve tantas cosas que hacer,
y el tiempo no alcanzó para lograrlo, no puedo quedarme otro día
para terminar los deberes que tenía.

Termine lo que es importante hoy, hay mucho que hacer,

ADIOS AL MEJOR PADRE Y ESPOSO

El Señor del cielo lo ha llamado que en un vuelo angelical se lo llevó; a su diestro, la Virgen de Guadalupe y su hijo lo recibió, de su paz y su gloria, a vivir iluminado.
Tus hijos y tu esposa de aquí te despidieron con dolor, por tu ausencia, lo contiene el objeto en este lugar tan frío, con tu oficio un desconsuelo Papá...

¡Que ese felic en tu memoria!
¡Que tu alma se llene de paz acompañada, con Nuestra Virgen y su hijo, allí en el cielo!
Te recordamos papá pero no te extrañaremos por que siempre estás en nuestro lado.

483

Te fuiiste, por que tu familia
necesitó un angel que los cuidara
aunque dejaste un gran vacío
en muchos corazones
nunca nadie podrá ocupar tu lugar
TE RECORDAREMOS POR SIEMPRE

Dame una sonrisa

Dame tan solo una sonrisa
Dice el moribundo en su lecho de muerte
Al médico que tocante los últimos latidos de su corazón
A la enfermera que observa tristemente su sufrimiento
Más nadie escucha el viejo que va a expirar
Ojalá que tú su hijo, puedes brindar
A ese hombre que trabajó tanto por ti,
A ese ser que te hizo crecer con su vigor.
A ese padre que con cariño solo te dio
Jardín de muchachos, tan solo una sonrisa;
Brindale tan solo una sonrisa
Al ser que secundó tu vida.
Al padre que tantas veces te dio alegría
Y ahora dejó de existir.
Son los últimos instantes que
Llena su corazón que tanto amor te dio
¡Brindale todo tu amor a Él!
¡Dile que te perdonas tus ingratitudes;
¡Ház que te sienta feliz en su天国
Porque tú, su hijo volverás
¡Y a tu regreso te buscas felicidad!
Dile que tú eres el padre
Que tú eres que fuiste para tus hijos.
¡Mucho amor dentro sus ojos;
¡Tú ya no buscas... pero con gran paciencia
Porque has colmado de felicidad
El último segundo de su existir.

- Me das la cara al lado de mi tumba y saludos.
- Me estoy ahí, no duermo.
- Soy un millón de vientos que soplan y se difunden las alas de los pájaros.
- Soy el destello del diamante sobre la arena.
- Soy el reflejo de la luna sobre el granizo maduro.
- Soy la sonrisa y la lluvia bendita de cielo.
- Crecida despiertas en la quietud de la mañana.
- Soy la suave brisa repentina que juega con tu pelo.
- Soy las estrellas que brillan en la noche.
- Me das la cara al lado de mi tumba y saludos.
- Me estoy ahí, no he muerto."
